

Dinnington - 9th November 2005

Merlin 360, the RFID (Radio Frequency Identification) and Ultrasonic Tracking Systems provider based in Dinnington, are proud to announce their recent achievement in attaining the 'Investors In People Award.'

Geoff Berry, Merlin's MD said, "It's a proud moment for us here, we're in the process of building up our company and we're very focused on making sure that we provide a high level of service to all of our customers. This recognition now formally shows the company's commitment to both our staff and our clients, the foundation of our business.

Registered Investors in People Assessor Louise Barlow, commented, “Merlin 360 are a young, dynamic business in the high growth industry of people and asset tracking. The level of attention to detail and customer support we observed during our assessment period was second to none, congratulations to all at Merlin360 on this outstanding achievement.”
